

Shanvi Chaudhary

B.Tech Computer Science Engineering (CSE) | Batch 2029

Madan Mohan Malaviya University of Technology, Gorakhpur

Cybersecurity & Embedded Systems Enthusiast

Phone: 9696809253

Email: ak84159156@gmail.com

Career Objective

Motivated and academically driven B.Tech CSE student with a strong interest in cybersecurity, embedded systems, and semiconductor design. Eager to deepen technical expertise in problem-solving, system design, and secure engineering practices while contributing to innovation through NXP's Women in Tech (WIT) Program.

Education

Examination	Institution / Board	Year	Score
B.Tech (CSE) - 1st Year	MMMUT, Gorakhpur	2025-26	9.1 CGPA
Class XII	Carmel Girls Inter College	2025	86.4%
Class X	Carmel Girls Inter College	2023	92.2%

Technical Skills

- C
- C++
- Python
- Java
- Data Structures
- Programming Logic
- Cybersecurity Fundamentals
- Embedded Systems
- IoT Basics

Projects

Student/Management System (C Language)

Console-based system to add, search, update, and delete records; file handling and structured programming.

Mini Game (C Language)

Interactive game using logic building, loops, and conditional programming.

Phone-Controlled Robotic Car (ESP32 / IoT)

Robotic car controlled via mobile phone, built during a college robotics workshop on IoT fundamentals.

Certifications & Achievements

- Completed an 80-hour AI Bootcamp
- Participated in college-level Hackathon (team ranked 4th)
- Attended a college workshop on Robotics and IoT (ESP32-based)

Extracurricular Activities

- Member, Fine Arts Club, College (1st Year)

Strengths

- Strong foundation in Data Structures and Programming Logic
- Quick learner, keen interest in VLSI, Embedded Systems, and Semiconductor Design
- Good analytical and problem-solving skills
